## **END OF TERM 1 2024 NEWS LETTER.**

### **PREAMBLE.**

Greetings from Hana International School Uganda. We thank the Almighty God for bringing us this far. We wish to extend our sincere gratitude and thanks to all parents/guardians for the unwavering support to the school and the learners most especially those who have paid the school dues promptly and we pray to the Almighty to even make it easier for the rest of the terms ahead.

### **ACADEMICS:**

We have successfully come to an end of Term I 2024 on Friday the 26<sup>th</sup>, April, 2024 and our holiday has officially started.

All our students have done their End of Term assessment exams. We expect to electronically send the report cards on Friday **10<sup>th</sup> May 2024** except for candidate classes where parents are requested to physically pick them on the same day at **10:00am** so that you attend the

meeting with the academics committee to map up better ways our candidates can prepare for their UCE and UACE exams.

S.2, S.3 and S.4 students are advised to buy personal practical books for Biology, Chemistry and Physics which will be available at school for a fee of 30,000 each in a bid to ensure that our candidates are well prepared for their finals.

They will attend several seminars next term which will be communicated through the peer tutors and please financially support them where need arises.

Since some parents did not support the holiday program for candidates that majority of other schools have had, as a way of closing the learning gap, the school is to invite experienced resourceful personnel to facilitate S.4 and S.6 candidates in

thorough preparation for **UCE/UACE**  
**UNEB** examinations 2024.

A fee of **150,000** will be charged per candidate.

**Term II will start on Sunday, 26<sup>th</sup>, May, 2024 and end on the 16<sup>th</sup>, August 2024.**

Also, very important to note is that parents who wish their children to enroll in special pre-vocational subjects such as bakery and cookery will be required to pay an amount of **shs.375,000** per term in order to facilitate for the required needs of those respective trainings.

### **UCE / UACE 2024** **REGISTRATION**

The registration process for the candidates has started and will end on **31<sup>st</sup> of May 2024** as set by **UNEB**.

Therefore, parents or candidates must hand in photocopies of their **PLE** and **UCE** pass-lips for **S.4** and **S.6** candidates during the holidays.

### **VISITATION AND SECURITY**

There will be issuing out Visitation cards on the reporting day and access to school shall be allowed to only those with these cards.

These cards will be free of charge to all students but once lost, one will pay a fee of **20,000** for replacement.

### **HEALTH AND HYGIENE.**

We have had a relatively healthy term since most of the sicknesses were ably handled by the school nurses and Doctors.

However, we experienced an outbreak of Red Eye infection and we were able to handle most of the cases at school.

We also continue to give our sincere appreciation to all parents/guardians with whom we have worked especially in cases where referrals were given to ensure that the students are in the best conditions physically and mentally to enjoy effective learning process.

- a) All students with medical insurance covers have the cards kept with the school nurse.
- b) All students with medical concerns for special considerations, the parents should share all cases with the school Nurse in the presence of the school high authority/ administrator.
- c) Every student should undergo a mandatory medical examination at the school facility for proper medical follow up at a Fee of **20,000**
- d) The fee for medical insurance has been revised from **30,000** to

**50,000** to cater for improved service delivery.

- e) Students with **asthma** and severe **ulcers** shall be required to bring in their medical forms plus personal medication.
